

Welcome to Specialized Vein Care, the office of Dr. Sharon Hammond!

Thank you for choosing our office for your vein needs. Dr. Hammond has over twenty years of vascular surgery experience and have a passion for the management of vein disorders.

Our office is dedicated to offering individualized patient care, a commitment to excellence in vein management, and utilizing the newest and latest technology. You will be greeted by a caring, knowledgeable and competent staff that will assist you with any of your questions or concerns. Dr. Hammond is located on the Rose Medical Center campus and is partnered with HealthOne Physician Services.

We are a participating provider with most insurance carriers. Please check with your particular insurance to verify you have the necessary coverage.

It is very important that you please complete all forms that are included in the packet we have sent to you. This enables us to have a complete medical history for you so we may offer you the best medical options, advice and treatment. Let our office know if you have any questions while completing the paperwork provided and we'll be happy to assist you.

We are excited you have chosen us for your vein care needs!

Sharon Hammond M.D
